

Japanese Encephalitis Vaccination

The following clinics are offering vaccination bookings. Please contact the clinic directly to book.

If none of these GPs are accessible to you, please contact us at phu@gh.org.au, and we will attempt to make alternate arrangements.

While the vaccine is free for eligible people, there may be a gap payment required by the GP clinic to administer the vaccination – please get in touch with the clinic directly to check if this is applicable.

Learn more about eligibility here: <https://www.health.vic.gov.au/infectious-diseases/japanese-encephalitis#vaccination>
