

## Why live and work in Ballarat?

Associate Professor Rosemary Aldrich Chief Medical Officer Ballarat Health Services

David Channon

Junior Medical Workforce Manager

Ballarat Health Services

AMA Careers Expo 1 May 2020

## Thank you for your interest in Ballarat Health Services for your clinical training

### We are committed to your success

#### Reasons to choose us:

- Ballarat the place
- Ballarat Health Services the organisation
- Opportunities for your career
- Teams committed to your success

# Location Location Location

- Beautiful historic city just 75 minutes from Tullamarine and less than 90 minutes from MCG
- Inexpensive housing; many DITs live within walking distance of the hospital
- Lots to do, vibrant arts scene, great restaurants and bars, a festival every weekend, lots of young professionals are moving to Ballarat
- International rowing course, many sporting clubs with quality facilities
- Four seasons
- Population set to double by 2035 city will need many more clinicians

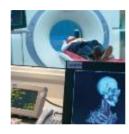

- Values-based organisation (compassion, respect, accountability, teamwork)
- Consistently ranked highly in Victoria for training experience by DITs in AMA DIT survey
- >800 beds across acute, mental health, sub-acute and residential aged care
- Competitive which means we choose each other and we value you highly
- Small enough to see diverse medicine in every term
- Large enough to see diverse medicine in every term
- Large enough to care for complex and high acuity patients

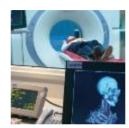

#### **Ballarat Health Services**

- Undergoing redevelopment and expansion in coming years
- Comprehensive opportunity now and into the future
- Part of Western Victoria training networks
- Rapidly expanding research capability and opportunity
- Exploring six-year career pathway from senior medical school to end of PGY4
